## **Introduction**

In what way is the church like a family?

### **1. The act of teaching**

What are three ways we can learn what the Bible has to say to us?

Why are books not a good replacement to being taught by recognised teachers in the church?

### **2. The content of teaching**

Does it matter what is taught as long as we are being taught something?

What should the teaching of the church be based on?.

What should we do with the teaching we receive in the church?

### **Conclusion**

Why is it important to be committed to the teaching in one local church?
