Introduction

What do we usually think of when we hear the word 'fellowship'?

1. What does 'fellowship' mean?

The Greek word for fellowship is 'koinonia' (in Greek it looks like this: κοινωνία). What three English words can be used instead of 'fellowship'? and what do they mean?

2. How is teaching foundational to fellowship?

In what way is the ACT of teaching important for fellowship?

In what way is the CONTENT of teaching important?

3. How may limited resources be used in fellowship?

We can't have fellowship with *everyone*, but the Bible gives us guidance about who is more or less important. What four groups of people should we have fellowship with if we can?

Conclusion

'Fellowship' involves sharing material things (money, food, doing little jobs to help someone, etc). What is even more valuable than these things that a Christian can share?
