Introduction

What does it mean to be 'transformed'?

What are some ways *God* transforms those who trust in *Jesus*?

1. The need for transformation

Having described the transformation which has taken place in Christians, why does Paul now urge them to be transformed?

2. The nature of the transformation

Paul has carefully chosen his words to tell us three things about this need to be transformed. What are they?

3. The evidence of the transformation

What will happen when a person's mind is renewed by the word of *God*?

Conclusion

What place does self-sacrifice have in this transformation?
