## **Introduction**

How does *God* work in the lives of his people?

### **1. A word of explanation and warning**

What was the meaning of the first question Haggai asked?

What was the meaning of the second question?

Why did *God* tell Haggai to ask these two questions?

What does this word of explanation and warning mean for us living today?

### **2. The word of promised blessing**

What did the people need to remember as they considered the future?

What did the future hold for the people in Jerusalem?

Given the warning of the first section (verses 10-14), why did *God* promise blessing in the second section (verses 15-19)?

What is the basis for blessing from *God*?

### **Conclusion**

In what way will the believer be blessed?
